

# DUKE OF CONNAUGHT SCHOOL ADVISORY COUNCIL

## School Council Budget Planning

As we enter May, it is now the time for School Council to beginning planning our Budget for the 2018-19 school year. SAC is forming a Budget Committee and we are looking for members from within the school community.

The SAC Chairs, along with our Treasurers, will lead this committee in producing a budget for fundraising and expenditures for the next school year. This is no easy task!

Each year, an enormous amount of time, thought and debate go into preparing the SAC Budget. By preparing a budget in advance of the upcoming school year, it allows time for a small amount of spending towards booking dates, Fall initiatives and more.

The Budget Committee will consist of a small group of parents and our Principal who will devote as many hours as it takes to propose a well-rounded budget that “enhances the classroom or educational experience at Duke of Connaught” while maintaining Board Policies and Ministry of Education Regulations. Discussions on the budget will take place at three separate meetings.

If you would like to be part of this process please email Tanya Barrett at [fieryone@gmail.com](mailto:fieryone@gmail.com).

We are hoping to get representation from all streams and all divisions within the school. To participate, you must be able to attend all budget meetings. Dates are as follows: May 10th 7pm, May 15th 4pm, and May 17th 7pm.
