Wednesday, February 21, 2018

7:00-8:30 p.m.

An EYCI School Council presentation by:

Dwayne Matthews

on

Learning in the 21st century: How to help students thrive in a rapidly evolving digital world.

Auditorium at 650 Cosburn Ave — Free Parking

Why is learning different and why does it matter?

Discover powerful insights about the global drivers for the evolving curriculum and how to transform student thinking to meet these changes from **Dwayne Matthews**, a life and education strategist, creator of *The Strategic Parent Experience*, and dynamic, motivational speaker! Uncover the four main strategic ideas that will change the way you and your teen focus on school and learning.

Doors open at 6:30 for light refreshments.
