DUKE OF CONNAUGHT

STUDENT DROP-OFF AND PICK-UP LOCATIONS <u>DURING CONSTRUCTION</u>

Effective Friday, March 9, 2018

Construction will soon begin and several classes will have to enter/exit at new doors in order to accommodate all classes, safely. Classes will leave by the same door they use for entry unless advised otherwise by your child's teacher. The changes are as follows and as shown on the map, below.

1.) All classes that currently line up at **Door 8** will enter at Door 2. They should line-up on the track area.

2.) All classes that currently line up at **Door 3** (Boudreau, Dupont, Newhouse, Puzic) will continue to enter at that door, but must shift North (away from SH Armstrong gym) as necessary to leave the walkway up to Door 2 clear.

3.) Classes 15, 16 (Dobbie, Doreleyers) at **Door 5** will move to Door 4 to make room for the Kindie classes.

4.) Kindie classes 3, 4, 6 (Parisi, Xu, McIntyre) will move from **Door 7** to the metal-fenced-in area near the track (attached to "The Forest Grove"). These classes will enter at Door 5.

5.) Classes at **Door 4, Door 6** and **Door 10** will remain where they are.
