

# DUKE OF CONNAUGHT SCHOOL ADVISORY COUNCIL

Enrichment Fundraising 2017/2018

Dear Parents and Guardians of the Duke Community,

The Duke of Connaught School Advisory Council (SAC) is composed of parent volunteers who work with staff and administration to enrich the learning experiences of our students. Along with community building, part of the SAC's job is to fundraise in an effort to support the costs of important items in -- and out -- of the classroom.

Purchasing additional technology and literacy materials, contributing towards purchase of new athletic equipment, and ensuring all children are able to participate in school trips are some examples of how these funds are spent. In addition, we continue to fundraise for our **DUKE PLAYS campaign**, which will support the costs of the upcoming playground redesign, planned to begin in 2019.

This year SAC has already organized our Annual Halloween Dance, the Holiday Breakfast in November, and several popcorn-filled Family Movie nights. Duke has a wonderful, engaged parent community, and we're thankful for all the volunteers who contribute by helping SAC run these events, supplying baked goods, and coming out to enjoy the fun. However, we also understand that, for a variety of reasons, some families aren't able to help in these ways and would instead like to make a direct donation to help with our fundraising efforts. With a direct donation, **100% of the money donated goes towards school enrichment.**

The Toronto District School Board is a registered charity and, as such, is pleased to issue receipts and hold funds in trust for Duke of Connaught School Advisory Council. **Donations of \$25 or greater with the following information completed are eligible for a charitable donation receipt.** Cheques and cash are both greatly appreciated and will be *collected by teachers or accepted in the main office.*

If you have any questions, please email us at [info@dukesac.ca](mailto:info@dukesac.ca).

Watch [www.dukesac.ca](http://www.dukesac.ca) for updates on the progress of our efforts!
