Dear Parents and/or Guardians:

This letter is to inform you that your child/ward has the opportunity to participate in an indoor climbing program, at Duke of Connaught P.S., **November 5 – November 9, 2018**. Each class in Grades 1-8 will be scheduled for two sessions with JUNGLESPOORT.

JUNGLESPOORT Inc. is a climbing and adventure program designed to benefit students of all ages, abilities and needs. Junglesport sets up its climbing jungle gym in our school gymnasium and two qualified Junglesport instructors guide the students through a range of climbing and ropes course activities. Some of the activities on offer are: Wall Climbing; Traversing; Low Ropes; Ascending & Descending Static Lines; Obstacle Courses; Zip Ride and Gorilla Gym! Students will have the opportunity to try different activities, learn new skills, and develop their communication, teamwork, and leadership skills while achieving success and increasing self-awareness.

JUNGLESPOORT Climbing Gym is a fully licensed and insured climbing company that has been partnering with various Toronto District School Board schools. As educators, we stress the importance of safety and will follow all instructions and guidelines of the instructors to ensure your son and/or daughter is well trained before attempting any activity.

In addition, the Toronto District School Board encourages all parents/guardians to purchase Student Accident Insurance, especially when their child is participating in high-risk physical activities. Annual premiums start at \$13 per student for the limited policy, and \$33 per student for the best value policy, which provides additional benefits and 24/7 accident insurance coverage. For more information, or to purchase the insurance, please visit: [www.insuremykids.com](http://www.insuremykids.com) or call 1(800)463-5437.

**Please sign and return the permission form attached to your child's classroom teacher by November 2, 2018.** If there are questions, please ask your child to speak with his/her Physical Education teacher.

Sincerely,

Ms. Oliveira  
Health & Physical Education Teacher
